Forest Village

Hello to new and old readers. This is Forest Village's Ayukko.
This MadoHomu book is about them as newlyweds.

Hello? It's me...
Yeah ♥
We just finished, so I'm on my way back.
Buy some toilet paper? Okay. Tissues, too? I got it.
For tonight? Omelette rice would be nice♪
Okay, see you ♥

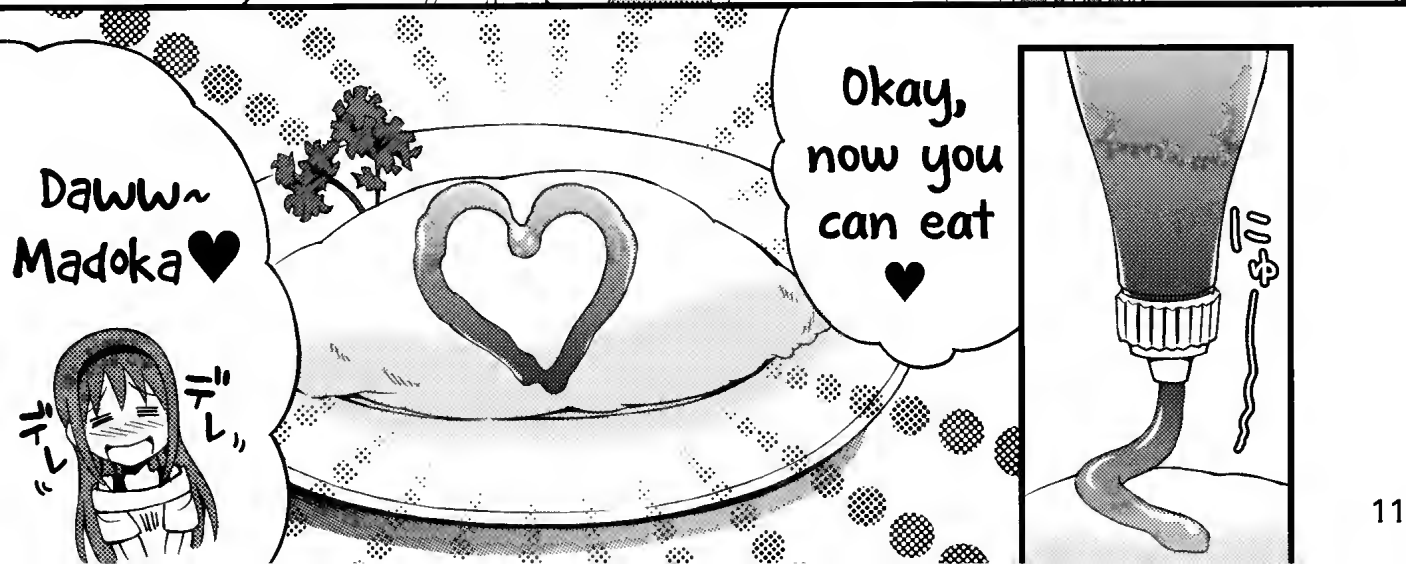
Well, I'm off.

Thanks for the hard work...
はむはむ
See ya...

Homura-chan~
Dinner will be ready in just a bit♪
ぴょこっ
What a nice smell...
Looks yummy, doesn't it?
ジュウー
Oh yes, such a delicious fruity fragrance.
A new shampoo, right?
クンカクンカ
I was talking about the chicken rice!
Just what are you smelling?

Here I go...
It looks yummy ...
Stop!!
I ♥ LUMINIS
Fluffy omelette rice made with my Papa's recipe♪
There you go~
I ♥ LUMINIS

I forgot something really important!
Wh-What is it?



Okay, now you can eat ♥
Dawww~ Madoka♥
デレ〜

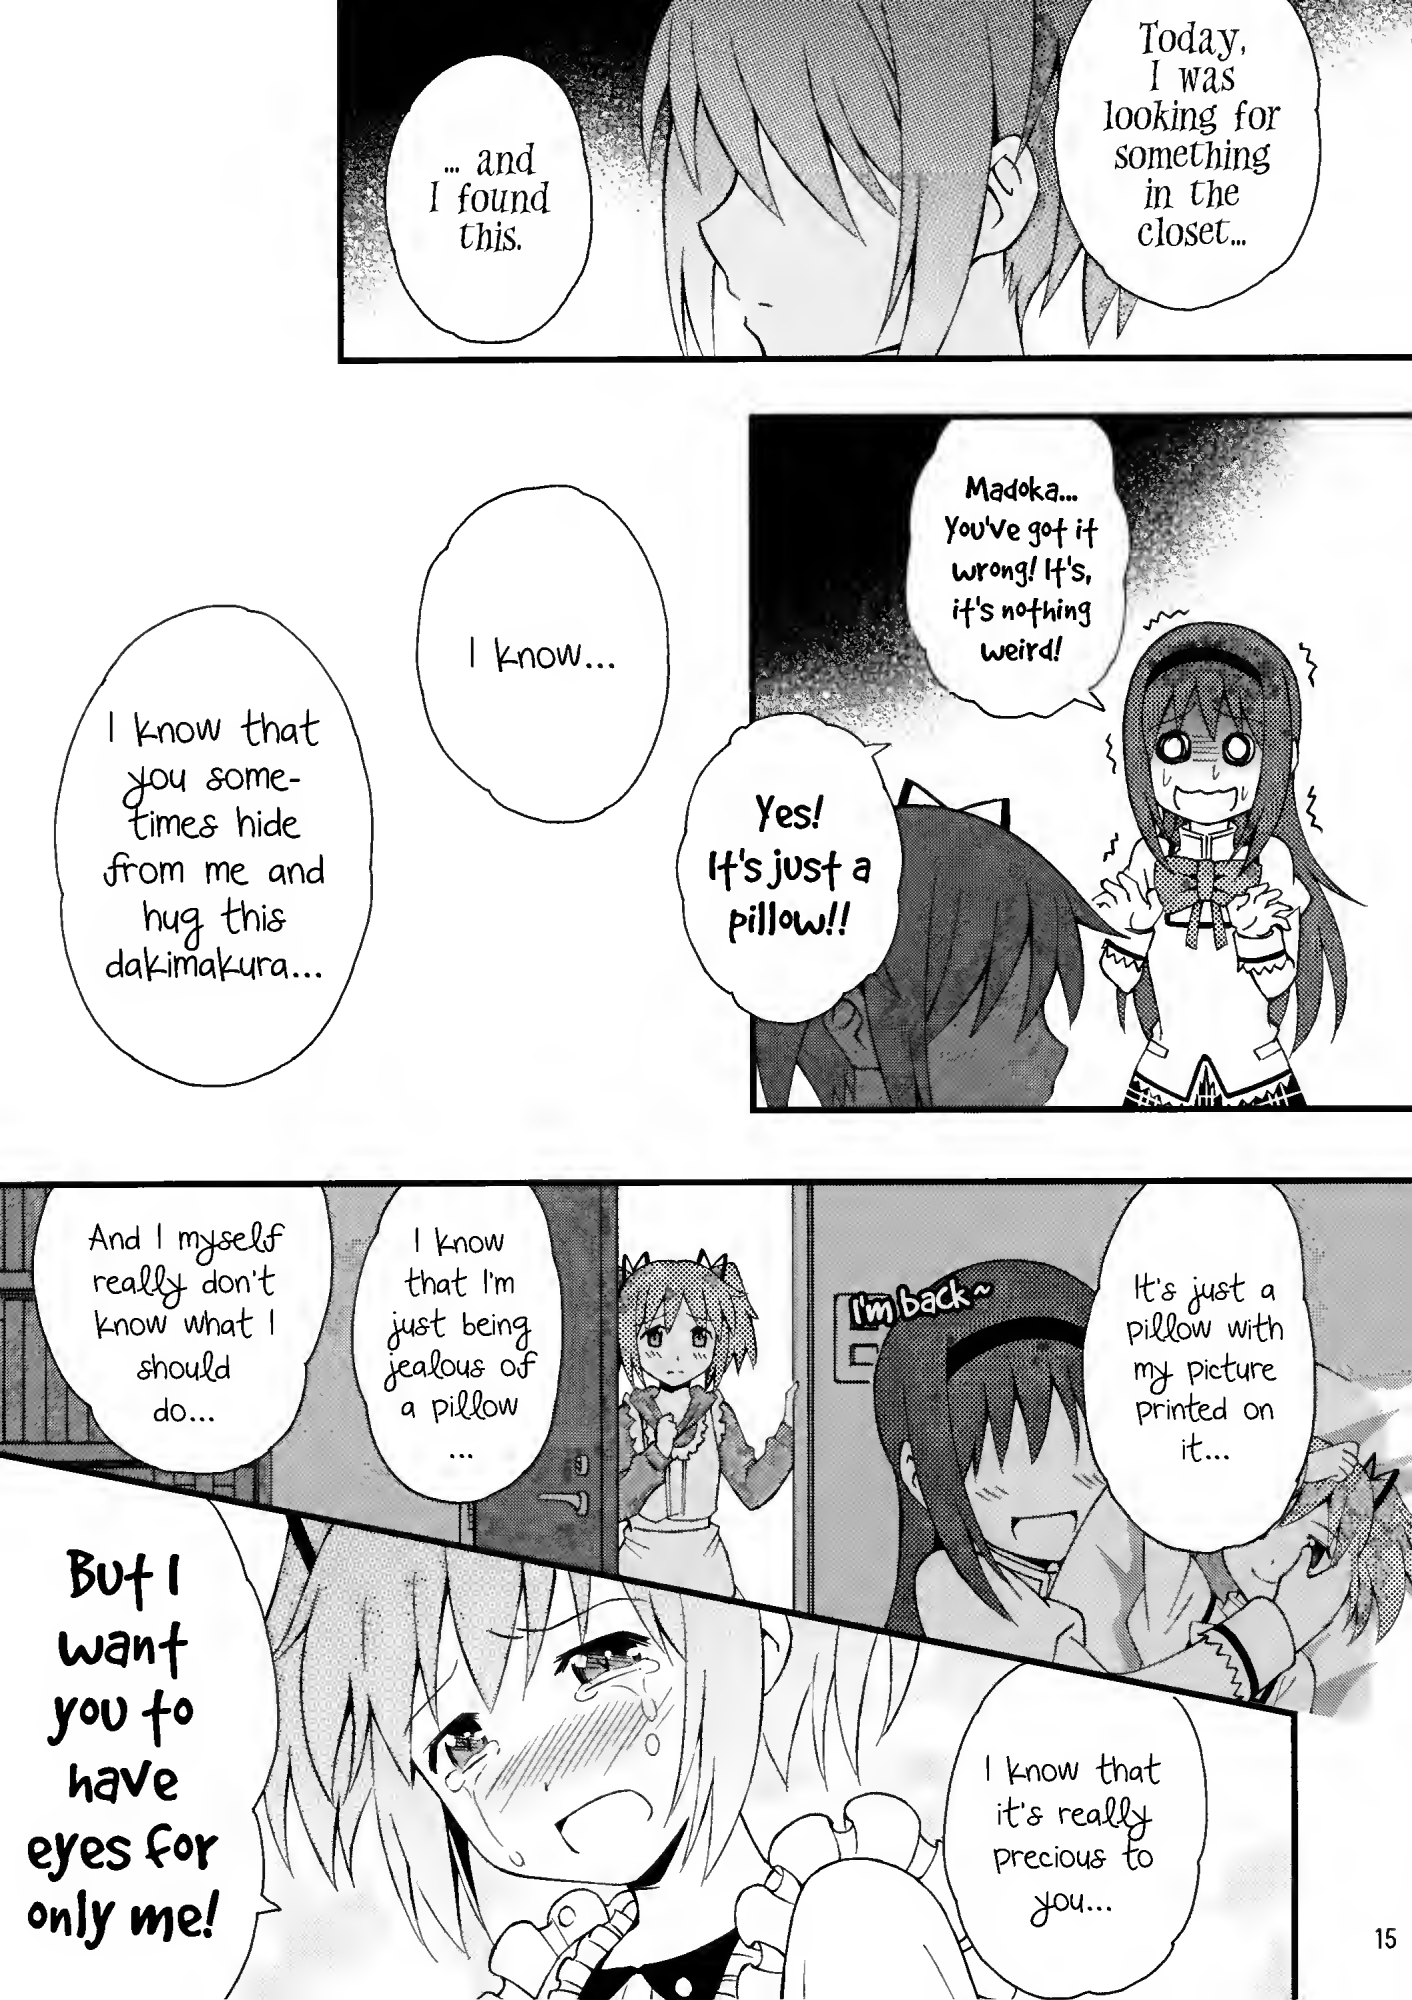
ドキドキ…
How is it?
ぱく。
It's super yummy, Madoka ♥
Really!?
That's great~!
That's because I put so much love into it, tee hee♪
もぐもぐ
It's like a dream...
That I, who has been fighting alone for so long...
ちゅっ
could have such a happy time...

Madoka... You're my wonderful wife.
Li-Lick!?
You can just lick it off, you know?
Don't say such weird things, Homura-chan!!
A few days later...
I'm back~
Could you take a seat there?
...
Madoka ... What is it?
I'm sorry I'm so late, the witch this time was pretty tough...

Eh?
すかっ
スッ
What is it? A welcome home "Luminous"?
THIS!!
WHAT'S THE MEANING OF THIS!?
14
when I was living the life of a lonely warrior in the time loops!!!
that would heal my wounds every-day...
That's my precious daki-makura...
Th-That's ...

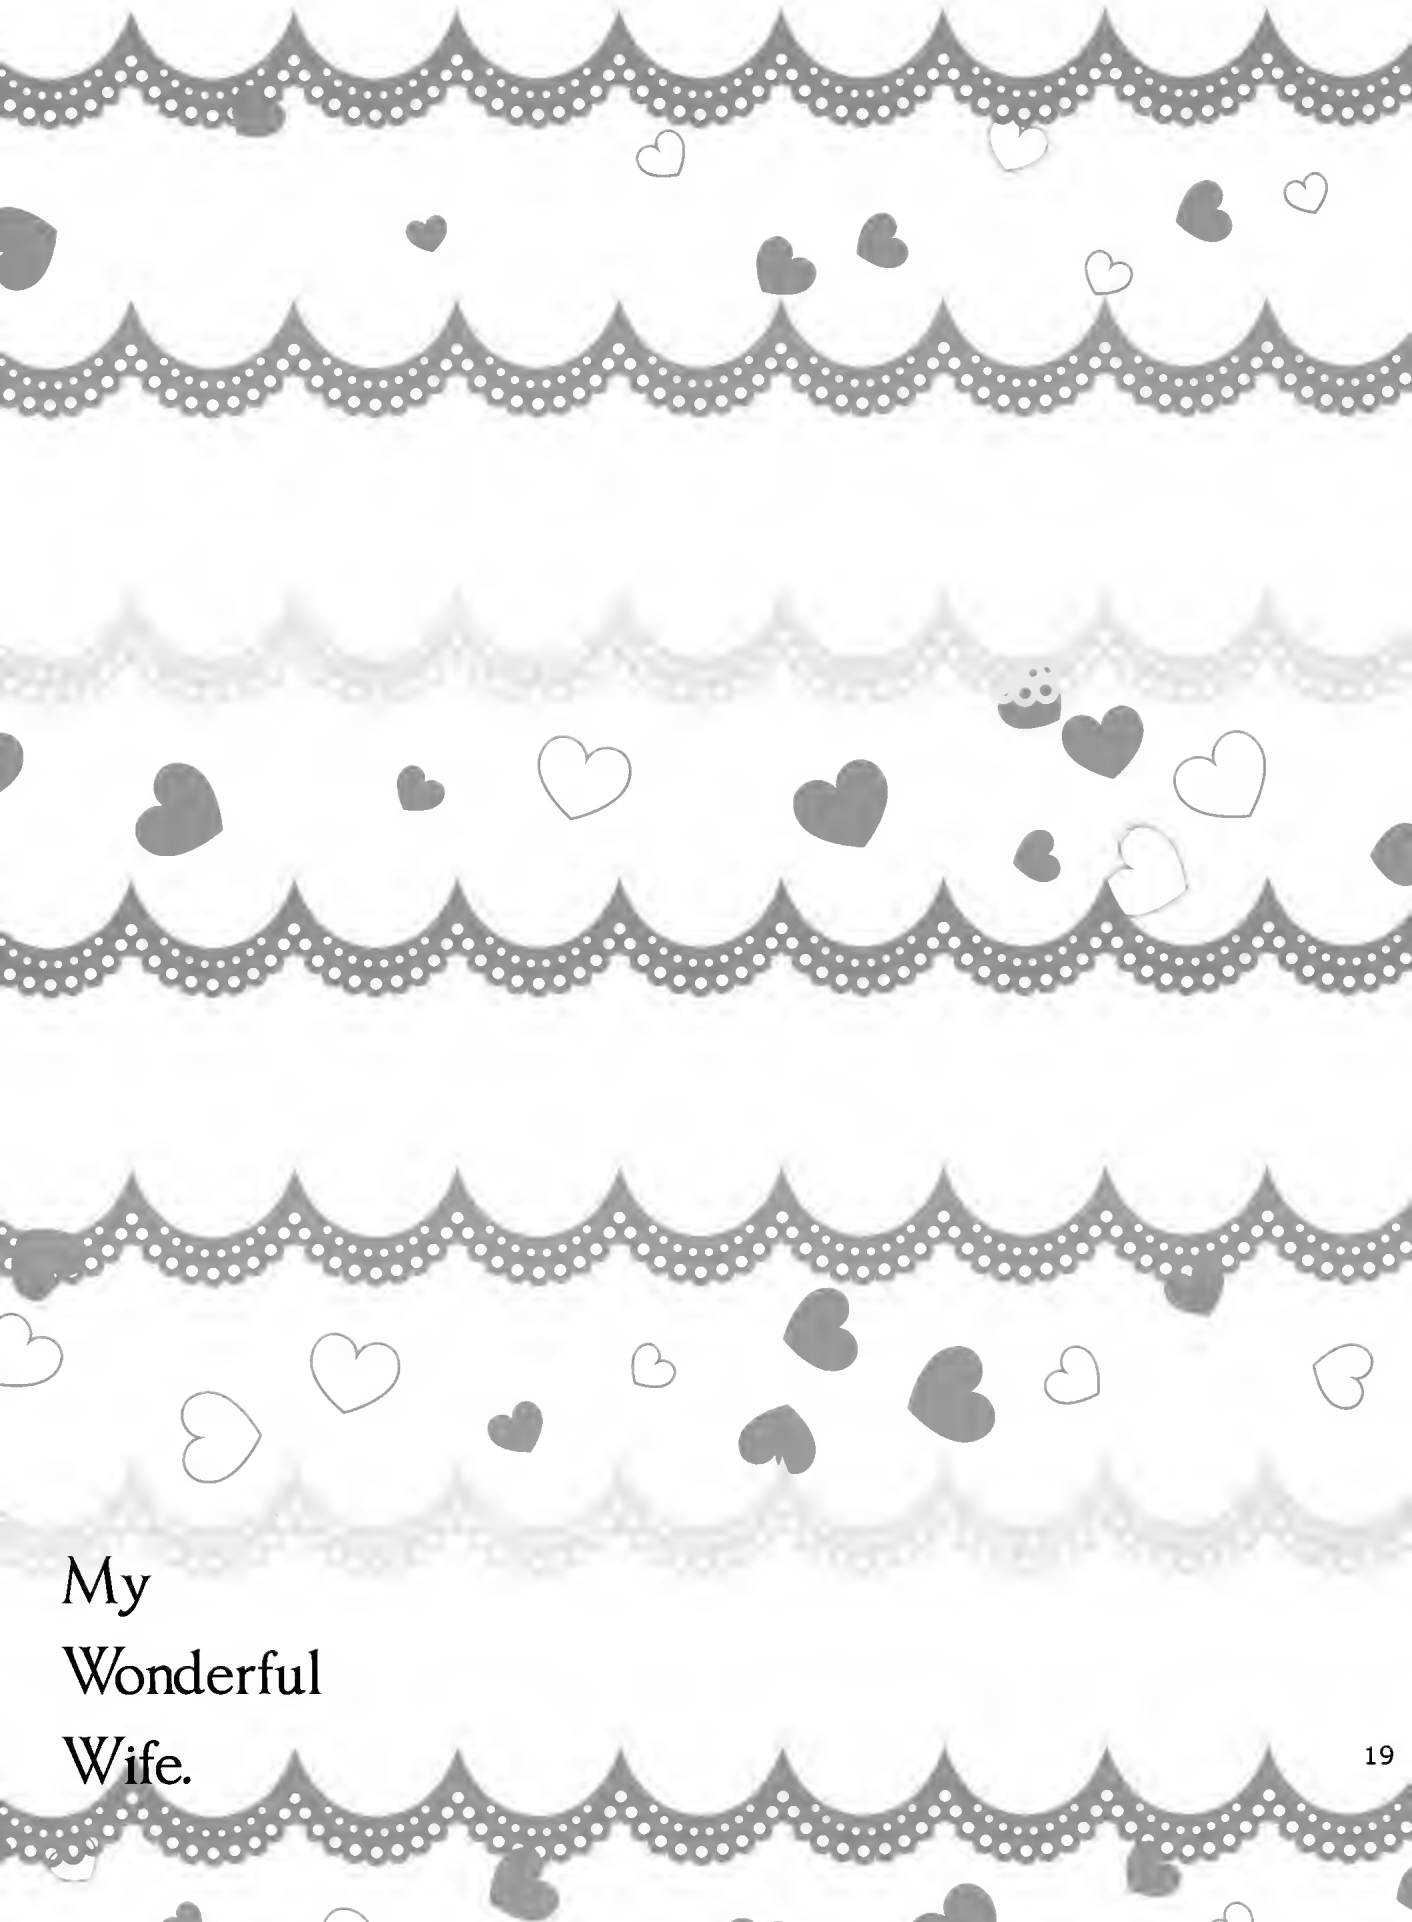


Today, I was looking for something in the closet...
... and I found this.
Madoka... You've got it wrong! It's, it's nothing weird!
Yes! It's just a pillow!!
I know...
I know that you sometimes hide from me and hug this dakimakura...
I'm back~
It's just a pillow with my picture printed on it...
I know that it's really precious to you...
I know that I'm just being jealous of a pillow ...
And I myself really don't know what I should do...
But I want you to have eyes for only me!

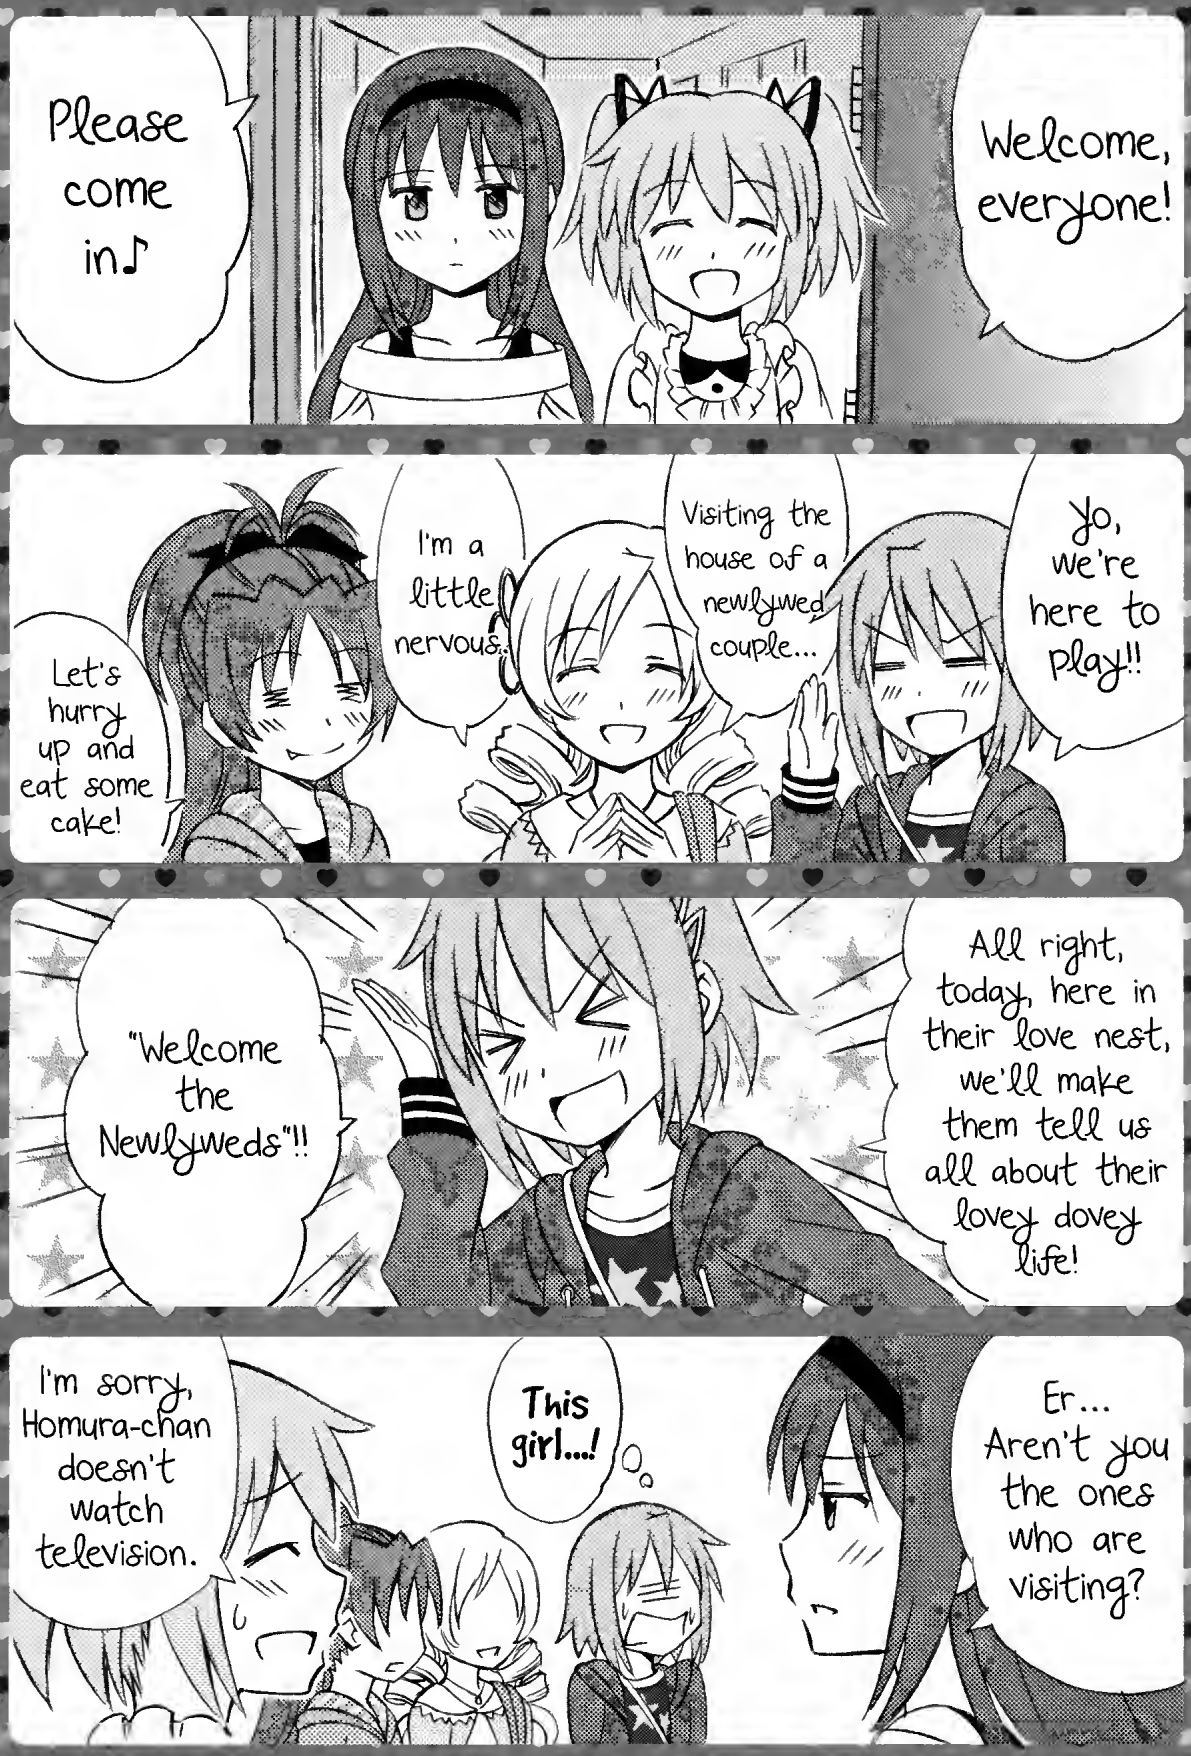
I'm sorry.
Madoka...
From that day onwards...
I'll be right back.
I'm sorry. From now on, Tomoe Mami will take care of you...

and treated me like the most precious thing in her life.
Homura-chan was more loving than ever...
Good night.
Thanks.
I'll do the cooking today, so you just sleep in.
But sometimes...
She would suddenly look so lonely...
A few days later...
I'm back~

Eh? What is it?
Just come♪
Come with me for a bit!
I bought milk, fabric softener and some souvenir puddings.
Welcome back.
Tadah!
A new addition to our family from today onwards!
Baby Madoka
...Why!?
I got Mami-san to return her.
I want to treasure the things that are precious to you...
Madoka... You're truly my wonderful wife.
The End



My
Wonderful
Wife.



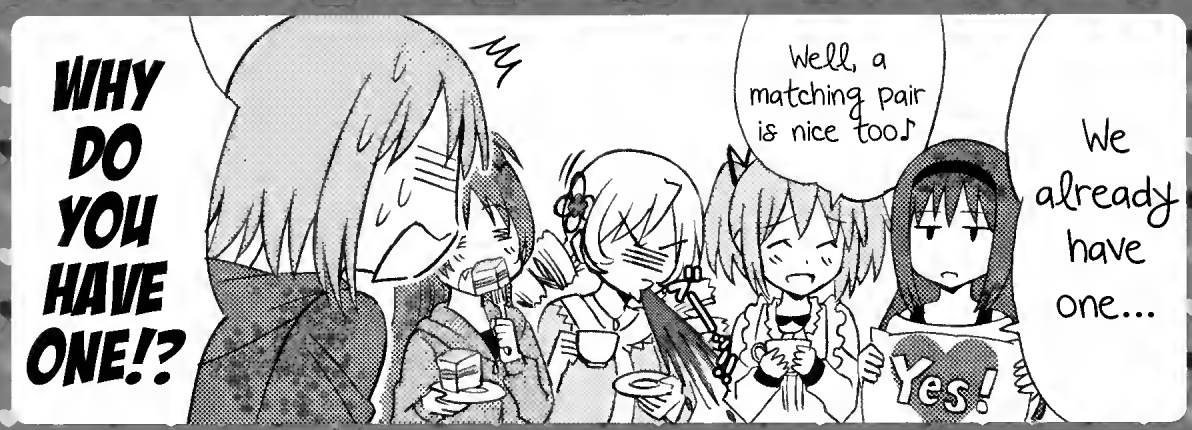
Please come in♪
Welcome, everyone!
Let's hurry up and eat some cake!
I'm a little nervous.
Visiting the house of a newlywed couple...
Yo, we're here to play!!
"Welcome the Newlyweds"!!
All right, today, here in their love nest, we'll make them tell us all about their lovey dovey life!
I'm sorry, Homura-chan doesn't watch television.
This girl...!
Er... Aren't you the ones who are visiting?

Thanks.
Mami-san... Everyone... Thank you!!
And this is a little something from us. Congratulations to you two!
This is cake! Let's eat it together!

A ham assortment would have been a nice gift...
A nice tea set would have been fine...
An item that every newlywed couple needs!
A 'YOSNO PILLOW' !!!
Yes!
We had a really hard time choosing a present, but this was my choice!!

※Those who don't know what this is about can try asking your mum or dad.

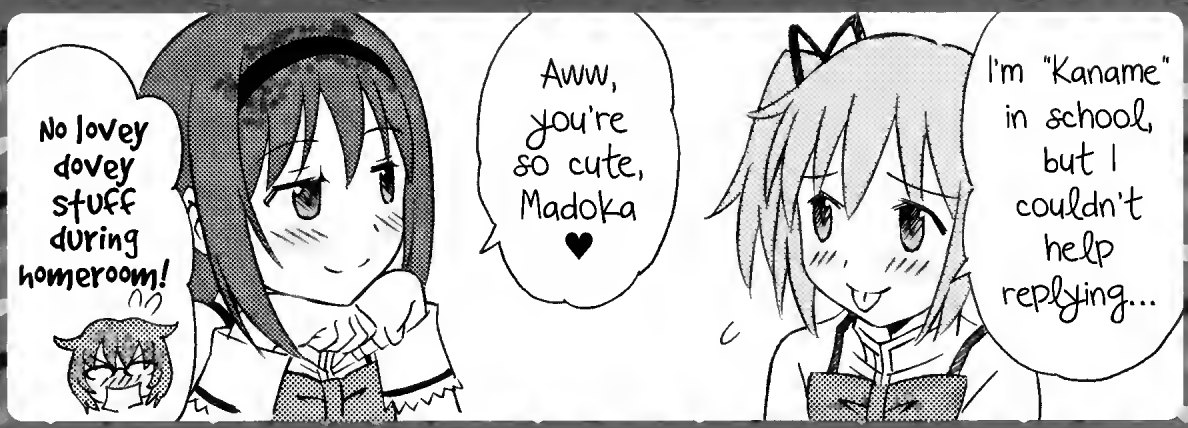
This is bad... I thought it would be a funny gift, but was it a bad choice for pure Madoka and Homura, who doesn't watch television?
I ♥ UMIN



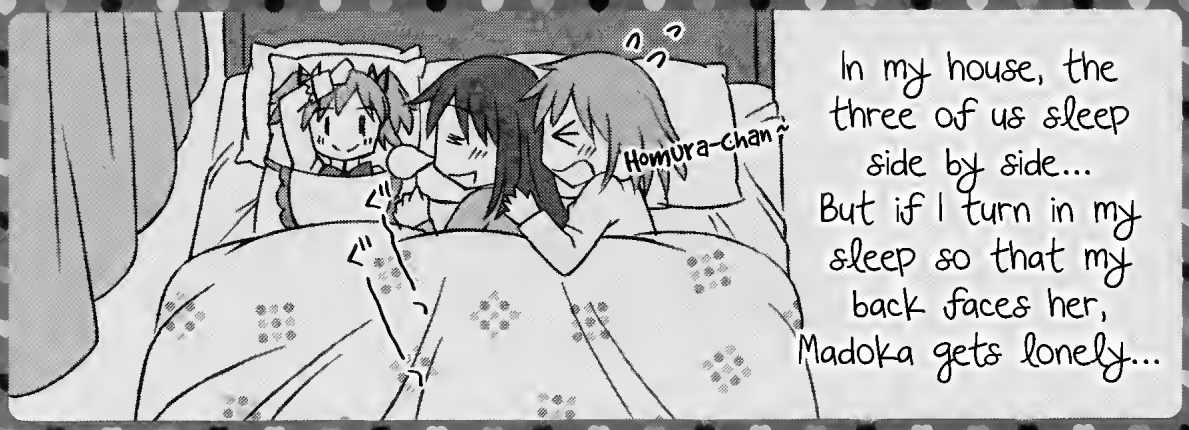
All right, I'll take attendance now.
Aoki -san?
Present.

Akemi -san?
Present. Present.

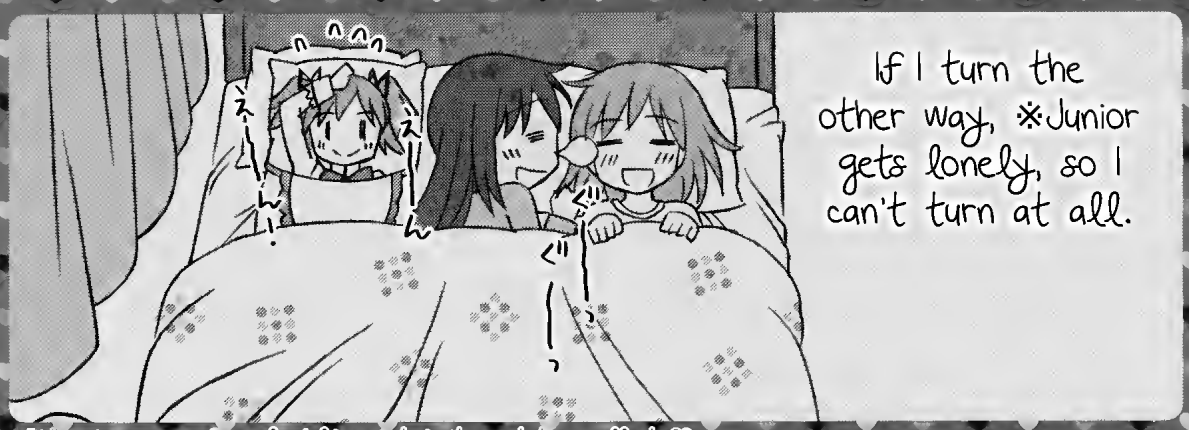
That's Homura-chan, not Madoka-chan...
Ah!
I'm sorry...



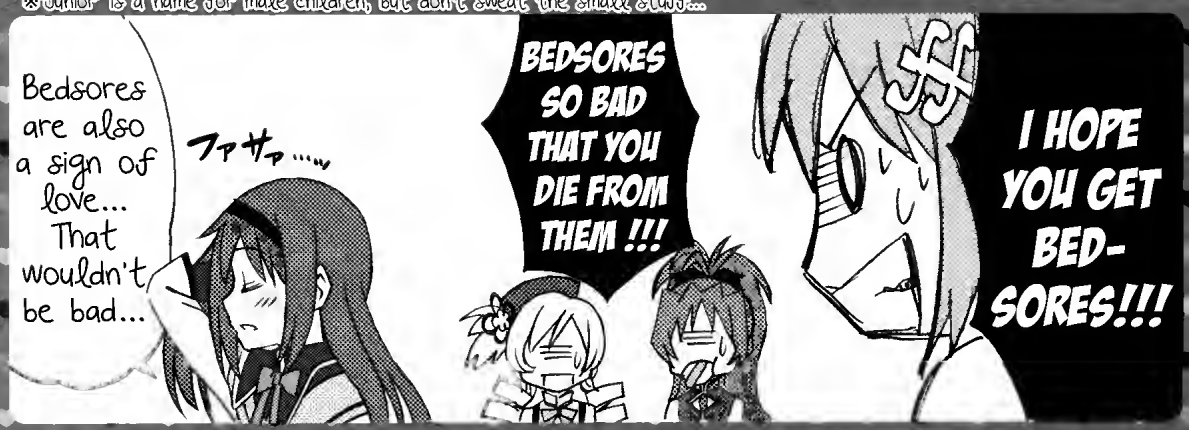
I'm "Kaname" in school, but I couldn't help replying...
Aww, you're so cute, Madoka ♥
No lovey dovey stuff during homeroom!



Homura-chan~
In my house, the three of us sleep side by side... But if I turn in my sleep so that my back faces her, Madoka gets lonely...



※'Junior' is a name for male children, but don't sweat the small stuff...



Thanks for reading all the way to end.
This work is the first one where I've drawn MadoHomu as newlyweds.
It's probably quite unique among the books that I've done so far.
In my previous work, 'Luminous is limited to once a day!', there wasn't enough of MadoHomu making out, so I wanted to make this a special work full of lovey dovey stuff (haha).
I was trying to draw them as loving newlyweds, but as usual, I don't know if the story should be called a gag comedy or a serious one (haha).
Who knows? A timeline with this setting might exist...
